835mm

### **GEARBOX**

6 Speed

### TANK CAPACITY

20 Ltr

# £7,599

+ OTR

# V-STROM DL 650A FEATURES

### Feature 1

The new unit has undergone a rebuild, installing new technology such as the resin-coated pistons, and revising over 60 components of the engine to achieve a higher output in a broad area of the rev-range while keeping the unique V-Twin character

### Feature 2

Newly designed down-type exhaust system is lighter and closer to the centre of gravity, contributing to nimble handling while being able to accommodate the slim and smart optional luggage system

### Feature 3

Suzuki's Dual Spark Technology, unique in this class, utilises two spark plugs per cylinder for precision ignition. Combined with the newly adopted high-ignition nickel spark plugs, it contributes to increased combustion efficiency

## Feature 4

Conventional starter switches needed to be pressed by the rider until the engine starts, but the V-Strom 650 has adopted the Suzuki Easy Start System enabling the engine to start with one push of the button. A computerised ECM checks the status
